Thanks for all you have done so I could have freedom. Thanks again!

I really appreciate your giving up time for what we believe in. A lot of our people gave up everything. All of you left your families and we appreciate you for doing that. I was willing but was disqualified because of our five children.

I thank our veterans for all they have done for our country and for our freedom. Without them we would still not be free. Denny was in WWII. He was on Iwo Jima when they raised the flag.

Through the ears when going to Branson, we have always enjoyed the time during the shows when a tribute to the Veterans was given. The veterans were asked to stand and an applause would honor them for their years of service. In recent times however, the trend is now to allow the veterans to stay seated and the rest of the audience to stand in honor of these dear men, who stood for us and provided protection for our freedoms. After the applause people are encouraged to shake hands with a nearby veteran and to express our appreciation for them. Today, we stand in honor of all you men who have served your country. Thank you from the bottom of our hearts. God bless you and may God bless our country.

With great respect and admiration, we thank you so much for your service to our country! Even though America is not what it once was, it is still the greatest place to live, work and raise our children. That is largely due to the sacrifice of you and others like you who gave up their comforts to fight for our freedom. Your loyalty and dedication to this cause are greatly appreciated!

Throughout the course of American history, courageous men and women have taken up arms to secure, defend and maintain these core principles upon which our Nation's freedom depend. Thank you for your service and sacrifice.

Deborah Loskoski

Thanks for your service and dedication to the principles on which our nation was founded. We are often forgetful of those who allow us to worship in freedom and peace. How blessed we are to be a part of such a great nation and a great church. As was said "if we don't stand for something, we will fall for anything"!!!! Thanks for standing for us!!

What is a Veteran?

A Veteran, whether active duty, discharged, retired or reserve, is someone who at one point in their life, wrote a blank check made payable to "The United States of America" for an amount of up to and including his life.

Today, we honor you, the men of AGM who have served our country in military duty. You represent many fields of service for the USA. You are such special people. We admire you, respect you, and appreciate your service.

Father God, today as we honor these special men, we ask you to continue to care for them and meet their needs. We pray blessings of health, blessings of provision, and most of all, spiritual blessings more abundant than anything they could ever imagine. You have blessed us by giving them to this congregation. Thank You, Almighty God!!
