

Heavenly Father,  
Today as we celebrate Father's Day, we honor You as our Wonderful Heavenly Father.

You have provided us with everything we need for living in this world. You are the One who loves us the most. You have our best interest at heart and You love us more than anyone in this world.

We want to take time today to thank You for the father that you have given us personally, the one that you paired us with. We thank You for the care we received, for the provisions of life that were given to us.

For those of us who still have our fathers, we thank You. For those of us whose fathers have left this earth, we also thank You. Every good gift comes from You and we are appreciative of Your gifts.

Thank You for being the Perfect Father and for holding us in Your hand, for knowing all about us and loving us still, for keeping Your eyes inclined toward us.

We love You, Abba!!! May we bring a smile to Your face! Amen!

***Prayer to receive Christ as your Lord and Savior.....***

Father, it is written in Your word that if I confess with my mouth that Jesus is Lord and believe in my heart that You have raised Him from the dead, I shall be saved. Therefore, Father, I confess that Jesus is my Lord. I make Him Lord of my life right now. I believe in my heart that You raised Jesus from the dead. I renounce my past life with satan and close the door to any of his devices. I thank You for forgiving me of all my sin. Jesus is my Lord and I am a new creation. Old things have passed away; now, all things become new in Jesus' name, Amen!

June's rose

From the bottom of our hearts, we say "Thank You" for the love and kindness you have shown us during the passing of June Wier.

The cards, the gifts, your presence at the service, and the wonderful meal and words that you shared this past Sunday were very comforting. June lived a full life and has left a great legacy. Thank you for your care of her and us, AGM. We love you very much!!

The Wiers

In January 1972, the Temptations came out with a new hit song that climbed quickly to the top of the charts!

*"Papa was a Rolling Stone. Wherever he laid his hat was his home. And when he died all he left us was alone!"*

My dad was quite the opposite. He was a solid rock. At the end of the Great Depression many families were struggling to survive. At age of 14 years he worked to help his parents. He married and began to work to provide for his own family and did so his whole life. He loved his family and friends and supported our needs. When he died he left our family with a rich heritage and a lifetime of endless great memories. I loved my dad!—Phil Robbins
